CSC MyWorkStyle

CSC MyWorkStyle – Next Generation Workplace

CSC MyWorkStyle (Cont'd)

- Evergreen, Hybrid-enabled utility service
- Developed with leading industry partners
- Delivering business outcomes including
 - Reduced cost to deliver end-user applications
 - Improved customer service
- Enabled through
 - Self Service
 - Webscale Automation & Orchestration
 - Reduced risk/increased compliance
- Proven at scale

Challenges

- Offering needed rich, intuitive self-service and fulfillment automation able to easily integrate with other offering technologies and supporting ITSM Tooling
 - Evaluated multiple competitive products
- Business Technology (CSC's Internal IT) needed
 - Improved software licensing, reporting, and compliance capabilities
 - Reduced costs
 - To deliver end user applications to physical, virtual, mobile devices
 - To avoid costs associated with purchasing additional (potentially unneeded) licenses
 - Improved customer intimacy and responsiveness

Value to CSC

- Increased sales
- Improved compliance
- Reduced costs
- Improved responsiveness to business
- Improved time-to-delivery
